## VISION

Venkateshwara combines academic excellence with an innovative and entrepreneurial approach to learning, in a culture that engages and challenges both the learner and the learned in their pursuit of learning.

## MISSION

The idea behind the establishment of Venkateshwara Group of Institutions is the quest to cultivate aspiring professionals with competence, outstanding leadership qualities, personal integrity, sensitivity to ethical issues and empathy for the weak and less privileged.

## VALUES

To adopt best of the value based educational practices inclusive of self-respect, resilience for others, tolerance and to achieve constraint-free goal of education & empowerment to all the deserving candidates.

## Message From The **Hon'ble Founder President,**

"Inequalities in access to education & healthcare, income, gender justice, wealth, social inclusiveness etc. have been reflective in the development of rural India.

These tormenting factors have been inciting a distinct line of thought in the mind of Dr. Sudhir Giri, who began his journey with the motto of "Affordable Education & Health Care for all".

The affordable education and health care for all initiative was launched by Dr. Sudhir Giri with the objective of providing access to quality education and health care in India. It has impacted the lives of more than 5, 00,000 underprivileged children and adults during decades and is still going on.

I welcome you to join VGI and explore the exciting world of continuous learning, creativity and innovation. The VGI strives to unfold the full creative potential, latent in every individual with an aim of producing holistic professionals, synthesizing conventional and modern thinking with a global outlook and having the capability of adapting to changing requirement. VGI retains the significance of "Gurukul", simultaneously encourages the student to stay connected to the world.

We are pleased to have supported so many students from across the nation to progress to the top into rewarding careers of their choice. Our dedicated faculty & dynamic students are highly valued members of our local community, demonstrating dedication to academic study and involvement in wider campus life.

**Dr Sudhir Giri**  
**Founder President,**

# Pro Chancellor Welcome Call

It is a matter of great pride and privilege for me to be associated with and work for the founder of Shri Venkateshwara University, Dr. Sudhir Giri, who is not only a down-to-earth individual but also a very compassionate & noble person.

Under his guidance, I would like to use my experience, knowledge and expertise to fulfil his vision to make 'SVU' unique. I believe I have the urge, vision and resolve to create a significant impact on academics, administration, and research, as manifested by my record and rich work experience.

We all are strongly committed to impart value-based quality education, produce myriad merits in the university and explore all the avenues for maximum employability. We are emotionally committed to the cause of education and his aim.

Our intention and vision, which is nothing less than excellence in academics, leading students to the different avenues through placements and making parents proud of their wards, on whom they pin up all the future hopes and dreams. The University has designed a unique learning mode that focuses on all-round learner development while imparting high-quality education to the students.

Our mission is to develop young leaders capable of providing insightful direction to any organization and thereby creating a knowledgeable environment, developing skills that contribute to the process of growth development & sustainability. We all are living in an era of unprecedented changes where many opportunity awaits us.

How we make use of these changes depends on what & how we choose to do it. Wish you all the best in your endeavor to be the part of this reputed University.

## Message from Campus Director

Venkateshwara Group of Institutions (VGI) endeavours to create pioneering individuals who are an asset for the society & country. The institute has a state-of-the-art infrastructure comprising modern labs & workshops that instil futuristic skills in our students. The 60 acre lush green campus provides the tranquil environment for learning & research.

VGI Meerut, an integral part of Shri Venkateshwara University Uttar Pradesh, is a centre of excellence for quality education in Pharmacy & Education, with an emphasis on emerging trends.

The institute is within 60 acres, with hostel and sports facilities.

World class library, computing and other educational and recreational facilities aid and enrich the learning process.

Highly qualified and committed core faculty supplemented by visiting faculty from industry delivers a state-of-the-art curriculum to keep the students abreast of the latest developments in techniques and practices.

At VGI, industry interaction platforms such as industry mentoring, industry visits, seminars and conferences are active.

The strong network of the alumni, its ambassadors, spread all over the globe, holding leading positions in industry and academia alike, is a testimony to the institute's focus on nurturing individual actualization and pursuing excellence.

The Institute inculcates human values and professional ethics in the students, which helps them, take decisions and create a path that is good not only for them but also are good for the society, for the nation and for the entire world.

We have a strong Mentor- Mentee program where a small group of students is attached to a faculty. The faculty so assigned acts as a friend, philosopher & guide to the students & help them understand and realize their dreams.

We believe in making learning a continuous process and endeavour to impart quality education with a view to create a pool of world class IT talent.

**Dr. Pratap Singh**  
Campus Director

# MEERUT

The city located in the north-western part of Uttar Pradesh is a prominent centre of education & economic activity. Meerut rose to prominence during the 1857 revolt & became the focal point of the first war of independence against the British rule.

Mangal Pandey the revolutionary refused to use the cartridges greased with animal fat & revolted against the British rule. Ever since, Meerut has made rapid strides economically & socially. It is the largest commercial hub of western Uttar Pradesh & an education city with many renowned colleges & universities.

Meerut lies in the doab region between the Ganges & the Yamuna with rich agricultural land suitable for growing all kinds of crops. The farming community adopts the latest farming techniques to get bumper harvest, which is reflected in their lifestyle.

Meerut has a temperate climate which suits most of the people. The cultural heritage of Meerut is rich & flamboyant where they celebrate all festivals with joy & participation. There are many temples, Gurudwaras, Churches & Mosques for the spiritual solace of the people.

The proximity of the city to the national capital has contributed to the economic growth of the masses. The city is well connected to Delhi through expressway & fast trains. In fact, with the extension of the National Capital Region (NCR) the first rapid rail will run between Meerut & Delhi from 2024.

These happenings will open up a gamut of opportunities for the students of Meerut as many corporations will set up base in the city. The city already has excellent transport facilities connecting to different parts of the city.

Students can find work in Meerut or can commute to NCR owing to the excellent connectivity of the city with Delhi. Meerut has developed into a major commercial centre of western Uttar Pradesh owing to its proximity to Delhi.

The enterprising people of Meerut has put the city on the global business map. It's now an established centre for pharmaceuticals, sports goods, sugar mills, transformer manufacturing units, to name a few. Meerut is the largest manufacturer & exporters of sports goods in the country.

The city is also an Army Cantt owing to its strategic location in the country. The Army base has contributed to the economic growth as the desire to settle in the city has led to the boom in the reality sector.

Meerut is an ideal city for pursuing education as it is home to government universities, many private universities & medical colleges that offer many job opportunities. The city is one of the largest centres of smelting & agricultural products.

The professionally qualified people have spearheaded Meerut in the healthcare sector. A healthcare hub of the country, Meerut has many multispecialty hospitals with qualified doctors.

Meerut has a cosmopolitan culture which suits most of the people. This is owing to the Army Cantt & the educational institutions where students from all over the country are studying.

During the pandemic, Meerut became the epicentre of care because all the excellent hospitals are located here. Being the hometown of renowned educationist Dr Sudhir Giri who wholeheartedly contributed to the cure of corona patients, VIMS proved its excellence amid Covid.

## VENKATESHWARA GROUP OF INSTITUTIONS, MEERUT

## Extra Curricular Activities **SPARK**

Taking care of our elders is a tradition in the Indian culture. We are taught to seek advice & respect our elders because they have many years of experience. We take their blessings by touching their feet. Elders guide us & teach us about our culture as we grow.

In order to keep this cultural spirit alive, we at Venkateshwara organize 'SPARK', a cultural festival, where we promote Indian culture & its diversity. Students take part in various functions, cultural dances, music, dramatics, literary events, sports & folk dances etc.

## Co-Curricular Activities and Social Causes

We organize various activities at the campus for the overall development of the students. This not only improves their skill set but also makes them better human beings. Whether it is promoting greenery by organizing tree plantation, or honing the public speaking skills through extempore, VGI never lags behind.

We organize the following activities regularly:

- Tree plantation/awareness rally.
- Debate (social networking).
- Orientation Programme / Farewell / Welcome party.
- Workshop and Seminar.
- Extempore Competition.
- Awareness Rallies.
- Inter Department Yoga Competition
- Sports Week
- Cooking Without Fire.
- Venkateshwara Premier Cricket League.
- Rewards & Recognition Program.

# EDUCATION LOAN

VGI has taken a step forward in the field of education by collaborating with various banks for easy availability of education loan to the students. This initiative helps the weaker sections of society avail educational loan for their professional dreams.

With this new venture, we have ensured that none of the students of the weaker section suffer in the field of education, just because they cannot afford it.

Our bonding with various banks helps in imparting knowledge to relatively wider sections of the society.

The credibility of Venkateshwara Group enables us to on board various banks because we are in the education field since 1998. The various awards & accolades achieved by our founder Chairman, Dr Sudhir Giri, plays a vital role in fostering banking confidence in our institutions.

A dedicated student advisory board guides on the procedures assisting students in securing loan for their academic pursuits.

Students of VGI can be rest assured, we assist them in realizing their dreams by partnering with banks for their education endeavours.

VGI is a credible institution offering a plethora of courses that equip students with exceptional skills crucial for their placement. We provide dedicated financial help by partnering with banks because we believe that the deserving should get educated with no discrimination of class & creed.

Under the leadership of philanthropist, Dr Sudhir Giri VGI offers affordable education by streamlining the education loan process for the benefit of all. One should feel confident that once at VGI, one shall realize their academic pursuits hassle-free.

## Scholarship

Education is worthless if it cannot benefit the deserving. With a mission of affordable education & healthcare for all, VGI strives to offer scholarships to meritorious students from the weaker sections of the society.

We have a separate Jan Kalyan department which caters to the scholarship needs of the students. Till date VGI has educated over 5, 00,000 students who have realized & lived their professional dreams through us.

# Placement & Internship

Placement is the final destination for every student pursuing academics because it enables one to earn livelihood.

At VGI, we strive to develop interpersonal & soft skills crucial for placement through continuous training of the students.

Our placement cell invites corporate trainers who train on resume writing & mock interviews because they boost confidence leading to placement.

We take students on corporate visits where they interact with experienced professionals & emulate their best practices for fostering placement.

Students learn through interaction & observation because it enables them to gain the behavioural skills crucial for the corporate world.

This professional training has enabled our students to get placed in leading national & international organizations because corporates prefer a polished individual.

## Corporate Advisory Board

Our corporate advisory board acts as a link between the corporate world & the academia because for excellence academics should be synched with industry. This board comprises subject experts who guide on key parameters, enabling us to streamline education accordingly.

These experts hold top positions in the corporate world & have years of experience vital for the skill enhancement of the students. We invite them for expert lectures because they have the expertise that enlightens students on industry trends crucial for placement.

### Training & Placement Cell

The T & P cell trains & grooms youngsters for the corporate world by inculcating good interpersonal skills. Success in today's world depends on soft skills because they are the behaviour skills admired in the corporate world.

Group discussions, interview preparation & personal grooming workshops help students shun inhibition & prepares them for satisfying careers in the business world.

### Strong Alumni Network

A strong alumni network helps students and institution both in terms of placement, internship, training & other corporate activities. VGI has over 20000 alumni network of professionals.

Our alumni are working in top-notch companies who strive to assist in training, networking and placement of the students. The alumni are the strength of this organization. Our new students take benefit from the alumni network.

The Alumni meet at VGI sees the participation of top-notch professionals who are a role model for aspiring students because our training opened new avenues for them.
