Dr. Sudhir Giri
Hon'ble Founder President,
Venkateshwara Group

I welcome you to join VGI and explore the exciting world of continuous learning, creativity and innovation.

The VGI strives to unfold the full creative potential, latent in every individual with an aim of producing holistic professionals, synthesizing conventional and modern thinking with a global outlook and having the capability of adapting to changing requirement.

VGI retains the significance of "Gurukul", simultaneously encourages the student to stay connected to the world.

We are pleased to have supported so many students from across the nation to progress to the top into rewarding careers of their choice. Our dedicated faculty & dynamic students are highly valued members of our local community, demonstrating dedication to academic study and involvement in wider campus life.

"Inequalities in access to education & healthcare, income, gender justice, wealth, social inclusiveness etc. have been reflective in the development of rural India. These tormenting factors have been inciting a different line of thought in the mind of Dr. Sudhir Giri, who began his journey with the motto of "AFFORDABLE EDUCATION & HEALTH CARE FOR ALL"

Venkateshwara Group of Institutions (VGI) endeavours to create pioneering individuals who are an asset for the society & country.

The institute has a state-of-the-art infrastructure comprising modern labs & workshops that instil futuristic skills in our students. The 60 acre lush green campus provides the tranquil environment for learning & research.

VGI Meerut, an integral part of Shri Venkateshwara University Uttar Pradesh, is a centre of excellence for quality education in Pharmacy & Education, with an emphasis on emerging trends.

The institute is within 60 acres, with hostel and sports facilities.

World class library, computing and other educational and recreational facilities aid and enrich the learning process.

Highly qualified and committed core faculty supplemented by visiting faculty from industry deliver's a state-of-the-art curriculum to keep the students abreast of the latest developments in techniques and practices.

At VGI, industry interaction platforms such as industry mentoring, industry visits, seminars and conferences are active.
